FUNDRAISER

Earn 20% For Your Activity Group

Dear Coaches, Teachers, Booster Clubs, Club Advisors/Activity Groups:

Plants4Home is excited to offer you a new simple and easy way to earn extra money for your Activity Group. We are offering this fundraiser to only a select number of Schools in 2017 to help meet your financial needs during the remaining school year. Each Activity Group will receive **20%** of their group purchases before tax. Now is the time to be thinking of how your Activity Group can capture some of these dollars by kicking off your fundraiser as we will begin deliveries in April.

Every spring, people are purchasing landscape plants to beautify their yard and decks. Plants4Home gives them an opportunity to buy these annuals, perennials, grasses, shrubs, trees, hanging baskets and deco pots (they would be buying anyway) and you earn money for your group by getting them to purchase from Plants4Home.com.

Plants4Home is the largest online Plant Nursery serving the Greater Puget Sound area. All our plants come direct from local growers ensuring you the highest quality. It is so easy; all your group must do is provide a customer the specific promo code for your group and then order their plants online at Plants4Home.com. Each order must meet the \$200 plus tax minimum, this allows us to be able to deliver to their home. They can combine an order with family and friends to hit the minimum.

HOW IT WORKS

1. Print and complete the Terms of Acceptance Form, then scan and email it to info@plants4home.com.
2. Once we receive the signed form we will create an account in our system and provide you with a PDF flyer with your specific Promotion Codes for each Activity Group.
3. Have each Activity Group make copies of the flyer to give to their friends and family members. Each customer will go to Plants4Home.com, select their plants and at checkout enter their specific Activity Group promo code before making their payment.
4. **Each customer must insert their specific promo code for your activity group to get credit for the order.**
5. **Deliveries – Plants4Home only delivers in the greater Seattle area. Please enter your zip code prior to placing your order to see if you are in our service area.** All orders will be delivered to the customer's home, deliveries will begin in April as the weather warms up. All orders are final, no cancellations or returns accepted.
6. **WARRANTY** - Any product damaged in delivery will be replaced at no charge. Once the product has been delivered it is the customers responsibility to plant and care for their plants.
7. **Payout** – Plants4Home will cut a check to your group every 2 months or earlier depending how long you chose to run your fundraiser. We will provide you a list of all orders placed using your promo-code.

If you have any questions about this fundraiser opportunity, please email us at info@plants4home.com. We will respond within 24 hours or next business day.

Thank you for your interest.
